To: The Academy Charter School Families,

This letter is to inform you of our Academy Food Service ongoing commitment to see that no child goes hungry. During these challenging times the Academy Charter School will make sure that each child has access to nutritious school meals each day. If you are choosing remote learning for your child, please know that our food service will offer a pickup grab and go service during school hours. The grab and go service will be from 7 AM to 10 AM Monday thru Friday. All meals may be picked up at your child's school during those hours.

If you have trouble picking up the meals and are interested in a delivery service to your home, please fill out the attached form, and bring it back to your child's school. We will make every effort to deliver meals on Monday and Wednesday.

We look forward to the 20,21 school year with great expectations! Be safe and thank you.

Regards,  
Mike Banschback,
