

**CENTER MORICHES UNION FREE SCHOOL DISTRICT
BOARD OF EDUCATION POLICY**

TRANSPORTATION FOR NONPUBLIC SCHOOL STUDENTS

Transportation for students attending nonpublic schools will be provided subject to the receipt of written transportation requests from the parent(s) or guardian(s) of such student residing in the district. Such requests should be received by the Transportation Office no later than the April 1st preceding the beginning of the next school year. If a student moves into the district later than April 1st, the request should be received within thirty days of establishing residence in the district. Such request forms shall be provided by the district. If such form is not used, then the parent(s) or guardian(s) of the student shall supply at least the same information required by such form in order that bus scheduling may be expedited.

All late requests, however, shall be considered by the Board of Education on the basis of each case's merits. Criteria used by the Board in judging whether to accept a late request may include but not be limited to the following:

1. whether transportation will require an additional cost, and, if so,
2. the reasonableness of the excuse for the late request.

Refusal of the request for transportation shall be in writing and mailed to the parent(s) or guardian(s) making the request.
